**The All Inclusive Printing Package
That Has It Covered**

FLATRATE

Simplicity, Economy & Predictability...

Flatrate from OKI Printing Solutions is an innovative approach created to address the demands of today's printing requirements. Offering complete peace of mind, hassle free printing and total financial visibility to allow for predictable budgeting and cost control.

With no gimmicks, no gizmos and no complicated software installations. Simplicity is at the heart of Flatrate.

Purchase one of our award winning colour digital LED printers or multifunctional products, select the fully inclusive printing package that best fits your business requirements and then enjoy a totally stress free printing experience.

All packages are supplied over a 36 month period and are available on new A4 and A3 OKI colour printers and multifunctional products such as the multi award winning C830 printer or our MC860 MFP, a highly productive 4-in-1 solution offering print, copy, scan and fax in a single compact footprint.

No matter which OKI Printing Solutions printer or multifunctional product you choose, Flatrate delivers many benefits including:

- A fixed monthly cost with inclusive print/copy volumes
- Visible fixed costs for additional printing
- A single source for billing, consumables & service
- Next day delivery for all your original OKI Printing Solutions consumables
- Peace of mind service package for the life of the contract including next day on-site service ensuring minimum fuss and maximum productivity
- There are no toner coverage limitations ensuring no nasty surprises
- ProQ Multi-level technology and microfine High Definition toner delivering superb print quality and adding a professional finish to all your printed material

- Dedicated website giving you access to consumables and service outside of standard business hours
- Choice of plan for A3 users

Whatever your print requirements- from reports to business cards or even banners; Flatrate is the perfect partner, reducing the pressures of your day to day printing requirements and allowing you to concentrate on your business.

...OKI Flatrate has it all
